

GAUTIER
semences

Obtenteur et producteur
de semences maraîchères

CERTIFICATE

In accordance with French and European legislations, GAUTIER Semences Breeder-Producer of vegetable seeds, located Route d'Avignon 13630 EYRAGUES, France, certifies that the species we select, are derived from classical methods of plant breeding, and are not genetically modified organisms (non-GMO).

This certificate covers all the varieties present in our catalogue or brochures published for the 2022-2023 season (from 01/07/2022 to 30/06/2023).

In witness whereof, this Attestation is hereby made.

Jacques GAUTIER
President
