

GAUTIER
semences

Obtenteur et producteur
de semences maraîchères

CERTIFICATE

In accordance with French and European legislation, GAUTIER Semences Obtenteur-Producteur-Breeder of vegetable seeds, located Route d'Avignon 13630 EYRAGUES, certifies that the species we select, are derived from classical methods of plant breeding, and are not genetically modified organisms (non-GMO).

This certificate covers all the varieties present in our catalogue or brochures published for the 2021-2022 season (from 01/07/2021 to 30/06/2022) .

In witness whereof, this Attestation is hereby made.

Jacques GAUTIER
Directeur Général
